Any one in search of a little exciting, recreative business might possibly get general satisfaction in hunting and arresting the Gad's Hill robbers. Governor Woodson, of Missouri, has offered \$2,000 a head, dead or alive for those fellows, the Governor of Arkansas has offered an additional reward of \$2,500 for the five brigands, and the Post Office Department offers \$5,-000 for their capture or annihilation. The aggregate for the capture of the Prof. Pierson, our good looking and five robbers would amount to \$17,500.

sued the U. P. railroad for damages sustained by the publication of an erroneous time table, recently obtain- clever a functionary engaged in the ed a verdict for \$2.50 and costs. Redic's only object was to test whether a railroad company was in any wise to drop the musty volumes of subtle bound to do business in accordance and erafty law, and share the hospiwith its published time. The Republican says "this is the first precedent established in a matter of this sort, and railroad companies must look

of the causes why there is so much brigandage in Missouri, says, "The first and foremost is the weak and irresolute manner in which the law is enforced. If Gov. Woodson would spend one-half the time on the Gad's Hill affair that he does on one of his elegant receptions, or a Miss Nilson banquet, the out-laws would learn that Missouri was not their abidingplace, and the country at large would understand that vigilance committees are no louger needed to make life and habits, all of which was accomplishproperty safe."

## EXPLANATORY.

In Mr Church Howe's letter, following statement:

"Then it was understood that the grangers of Nemaha county wanted in peculiar confidence with every inan organ. Mr. Whitehead offered the dividual pupil, and has a manner of Democrat and Maj. Caffrey offered inducing independent thought and saw proper to accept the Democrat self-investigation which we have nevunder the new name of Granger."

goes, but without further explanation erroneous conclusions might be formed, detrimental to the ADVERTISER and its stability of character. The facts are, Maj. Caffrey, just before his connection with this office ceased, of- cent experiments. fered to let the grangers have a portion of the paper, or a department room just in time to witness the clostherein-just as is the case now-to be ing of a recitation in Geography.
